

COMPANY PROFILE 2023

People Are at The
Forefront of Everything
That We Do!

INTRODUCTION

We are one of the leading medical expert witness report providers with over a decade of experience in the medicolegal industry. Our collective experience counts for up to 45 years. We have a panel of 50+ independent psychology expert witnesses operating out of 100+ clinics across the UK.

Our expert witness panel is professionally trained and accredited with the highest standards of the Health and Care Professional Council (HCPC), affiliated with the British Psychological Society (BPS) and always stays compliant with the criminal, family and civil procedure rules.
